

## **REPORT ON THE ACTIVITIES OF THE EXCISE DEPARTMENT FOR THE YEAR 2012-13**

1. The Excise Department was set up as an independent Department with effect from 01.12.1999 after being carved out of the erstwhile Revenue and Excise Department. It is a resource generation Department of the State, which enforces the State Excise laws in the State.

At present, four sections are functioning in the Excise Department. The collection aspects of the excise revenue are enumerated below for better appreciation.

### **2. EXCISE POLICY:**

2.1 Article 47 of the Constitution of India envisages that every State shall endeavour to bring about prohibition of consumption except for medicinal purposes of intoxicating drinks and of drugs, which are injurious to health. It is always the avowed policy of any Government committed to welfare of the people to be alert and watchful regarding the trends in consumer behavior. Like all economic goods, intoxicants also have a 'supply' side and a 'demand' side. The endeavour of the Government has been to ensure that the existing demand is met by legitimate and safe supply of reasonable quality of liquor. Any short supply of legitimate liquor is bound to result in bootlegging / spurious liquor filling up the gap, which would endanger public safety.

2.2 In various judicial fora it has been pronounced that the sole purpose of granting privilege to trade in liquor is to collect revenue in order to add to the scarce resources of the state. It is imperative to evolve a policy through which manufacturing, distillation, trading in liquor are to be canalized under strict vigil of the state which would generate considerable resources but without compromising with the social values.

2.3 According to Article 246 (3) of the Constitution of India, the Legislature of the State has exclusive powers to make laws for the State or any part thereof with respect to any of the matters enumerated in list II of the Seventh Schedule of the Constitution. Item No. 8 of the List II envisages intoxicating liquors, that is to say, the production, manufacture, possession, transport, purchase and sale of intoxicating liquors. Item No. 66 of the List II of the Constitution empowers the State Legislature to impose fees in respect of any of the matter enumerated in this list. The excise duty is leviable in respect of

alcoholic liquors for human consumption manufactured in the State or produced elsewhere in India (item No. 51 List II. 7<sup>th</sup> Schedule).

2.4 The State has exclusive right to grant privilege for manufacture, possession and sale of intoxicating liquor. However, the State grants such privileges to persons in shape of licenses.

2.5 The monopoly in wholesale trade in liquor in the State is vested with Government and it operates through a Corporation under the name and style of 'Odisha State Beverages Corporation' (OSBC). An intoxicant can be manufactured or imported as per the provisions of the relevant Act and Rules but the same cannot be sold to any business unit except through the Odisha State Beverages Corporation. Hence the entire saleable quantity of intoxicants is acquired by the Beverages Corporation. The Corporation will sell to the licensees under terms and conditions prescribed by the Government as well as by the Corporation from time to time. Since collection of revenue is one of the main planks of the liquor trade and the State is in need of extra resources, for funding the plan, horizontal/ lateral expansion of licensed outlets will cater to the enhanced demands of the people of the State.

2.6 Taking over the monopoly in wholesale trade in IMFL and Country Sprit was a major policy decision of the Government. The Excise Revenue has increased substantially. The figures for the last ten years are as follows: -

Year	Excise Revenue (Rs. in Crores)	Percentage of Growth
2003-2004	Rs. 256.69	4.31%

The approximate value of total destroyed Hemp Plants is Rs.521.25 Crore @Rs. 1000/- per Hemp Plant.

## 12. STEPS TO CHECK ILLICIT LIQUOR:

12.1 Collection of excise Revenue will suffer so long as Illicitly Distilled liquor is not controlled. In order to prevent the illegal inflow of non-duty paid liquor, affixture of Excise Adhesive Labels has been introduced to distinguish duty paid liquor. Such labels are being affixed on each bottle of IMFL, Beer Cartoon and Country Spirit bottle.

12.2 The Collectors of the Districts have been instructed to form a multidisciplinary squad consisting of selected officers with good track record from Police, Excise and Forest Departments to conduct extensive raids on the illicit distillation centers.

12.3 Public awareness has been made involving N.G.Os., S.H.Gs. and Panchayati Raj institutions about the dangers of drinking, particularly I.D. and spurious liquor.

12.4 The Bihar and Odisha Excise (Odisha Amendment) Act, 2006 has been enacted w.e.f. 1.6.2006 making provisions of punishment more stringent for excise offences.

Sub-Inspector of Excise and above rank officers have been vested with power of entry, search, seizure, arrest, authorization of arrests and filing of complain under provision of N.D.P.S. Act.

After stringent provisions made, a fear psychosis has been created among the mafia and illegal distillers. The illicit liquor trade is in slow declining trend. The Excise officials are getting more/ increasing attention from every quarter of the society. Public awareness has increased, and the focus is now on deterrence with many persons behind bars. Courts are also not granting bails. Excise offences have started reducing. A comparative Statement of no. of cases detected and arrested since last six years is given below.

Subject	2007-08	2008-09	2009-10	2010-11	2011-12	2012-13 (Upto Dec, 2012)
No of cases detected	14,762	13,586	13,598	10,828	15,157	12,248
No of persons arrested	4,969	6,243	6,964	6,132	9,236	8,803

More concerted efforts are being made for training of the excise field functionaries so as to achieve better coordination with all related agencies so that the conviction rate in excise offences can go up significantly.

12.5 Considering the changing situation, Odisha Excise Bill, 2008 has been passed by the Odisha Legislative Assembly in its 14<sup>th</sup> Session of the 13<sup>th</sup> Assembly. The Bill so passed intends to provide for a comprehensive law relating to alcoholic liquor and other intoxicants in the State of Odisha by making adequate provisions for punishment of the offenders and to make provisions for matters incidental thereto by replacing the Bihar and Odisha Excise Act, 1915. In the new law provisions have been made for establishment of Excise Stations, trial by Special Courts and forfeiture of property of the bootleggers and liquor mafias. This law has been passed incorporating model excise policy circulated by the Govt. of India and Odisha is considered as the first state to adopt the same. The Odisha Excise Bill, 2005 as passed by the Odisha Legislative Assembly is awaiting the assent of His Excellency, the President of India.
