After changing the settings the message might appear on your screen "Your current security settings put your computer at risk. Click here to change your security settings" as shown in subsequent screenshots. This should not be fixed unless it appears with a blue question mark as shown below.

In the above case, the blue question mark sign indicates that add-on/s want to run. That should be done by right clicking on the icon and running the add-ons as shown in subsequent screenshots.

Right Click on the message and run the add-on/s as they appear.

- 6. The auction floor will open up with relevant details. Bidding is to be done shop wise. A bidder may submit bids against any shop more than once. After putting in his bid amount in the relevant field and pressing bid button he will be required to verify his DSC.
- 7. In e-auction, for any shop, a bidder can increase his bid any no. of times provided his bid is outbid by others. No downward revision of bid will be allowed.

Minimum increment will be as follows:

Rs. 1,000/- For shops with start / reserve price up to Rs. 2,00,000/-Rs. 2,000/- For shops with start / reserve price over Rs. 2,00,000/-

Maximum increment in a single step may be restricted to 1.25 times the current highest bid.

Current H1 bidder may not be allowed to revise/ increase his own bid till he/she is outbid by others

8. The H-1 bid for the shops put up for auction will be displayed on the auction floor under LAST BID coloumn.

- 9. Against every shop, the time of close of auction will be displayed separately.
- 10. An auction will close for bidding at the scheduled time or extended time depending upon the bidding/ competition.
- 11.AUTO EXTENSION: If any bid is received during the last 5 minutes before scheduled close of auction for any shop, its close time will get automatically extended by 5 minutes from the time of last bid in order to give equal opportunity to all bidders.
- 12. When bidding for all the shops in an e-Auction close, e-Auction will close.
- 13. Autobid facilty : In the auction, a bidder may give instruction to the computer to bid on his behalf every time his bid is exceeded by clicking on the Autobid button. Once the bidder clicks on the Autobid button, the computer will ask for incremental value and upper limit of bid. The bidder has to fill up these values and submit. The auction floor will display the upper bid limit against each active autobid for all the lots. While registering auto bid the minimal incremental should be taken into consideration and the maximum bid should be chosen accordingly.

Bid value shall be in terms of monthly consideration money (i.e. licence fee) for each shop.

14. If a bidder is the highest bidder for any shop at any point in time in eauction, proportionate EMD will be deducted from the available EMD of the bidder till he is out-bidded by another bidder for the same lot. 18. UNIVERSAL EMD: The EMD required for any shop is three times the starting bid of particular shop. The EMD remitted by any bidder is available for bidding against any auctions of Odisha Excise Dept., of this series. The bidders need not to indicate the shops for which they wish to bid in writing and they can bid as per their wish choosing the shops. The required EMD will be blocked only if their bid is H1 in any particular shop and gets released if the same is out-bid by others. The balance EMD will be available for bidding in any other lot of the same auctions and any lot of any other auction of this series. This is a dynamic process during the currency of the auction.

19. UNIVERSAL SOLVENCY SHOP AMOUNT: The solvency amount required for any shop is six times the starting bid of particular shop. The solvency amount remitted by any bidder is available for bidding against any shops of the auctions of Odisha Excise Dept., of this series. The bidders need not to indicate the shops for which they wish to bid and they can bid as per their wish to bid in writing choosing the shops. The required solvency amount will be blocked only if their bid is H1 in any particular shop and gets released if the same is out-bid by others. The balance solvency amount will be available for bidding in any other shops of the same auction and any shops for any other auctions of Odisha Excise Dept., of this series.

20.UNIVERSAL APPLICATION FEE: The required application fee is Rs.60,000/- each for CS shops and Rs.30,000/- each for "OFF" shops. The application fee remitted by any bidder is available for any shops in that particular auction or available for any shops in any auctions of Odisha Excise dept., of this series. The application fee will be blocked on the first hit of any shop. Application fee once remitted will not be refunded.

21. Bidders must be extremely careful in making their bids on the Live e-Auction floor. Bids in Decimals are not acceptable by the system. After typing any Bid, but before submitting the Bid into the Live e-Auction floor, Bidders must check the same. Bidders will be fully liable and responsible for the bids submitted by them, including any errors made by them, if any, and no complaint / representation in this regard will be entertained by MSTC / Principal.

22. In case any bidder puts in a bid which is more than 1.25 times the current highest bid, then before submission of bid by him in the Live e- Auction floor, a warning to this effect will be displayed on his screen. No bidder is allowed to bid more than 1.25 times the current h1 bid.

24. Sale will be governed by the Special Terms and Conditions (STC) & the sale notification displayed on the "Live" e-Auction floor only and Bidders may download a copy of the same for their records. Bidders should take note of

the corrigendum being issued from time to time which will form part and parcel of the terms and conditions.

## POST BID ACTIVITY:

1. It will be the bidder's responsibility to personally see the result of e-Auction by seeing and downloading the "Auction Lot Status" from the Website immediately after Closing of eAuction which will be displayed upto 7 (Seven) days from the date of Closing of eAuction (excluding the date of closing of eAuction). The "Auction Lot Status" will show status of their H1 shop. Sale Intimation Letter will be issued by email to such highest successful Bidder after the closing of e-Auction and approval of the principal.

2. Please request MSTC for refund of unsuccessful EMD.

3. Successful bidder to contact the Principal for further directions

4. Successful bidders may simultaneously look for finalizing the shop space in the particular location in order to complete the process of issuing license / opening of shop quickly.

N.B : These guidelines are meant to assist the bidders in understanding the process and should not be taken as exhaustive. Modifications / amendments, if necessary, shall be made from time to time. Bidders are therefore advised to frequently check for any modification / amendments.
